Operating cycle*	100%
Power cable	1.5 m
Trunking dimensions	80 x 55 x 800 m
Certifications	CE, EAC

* The pump is able to run 100% of the time if necessary.

BENEFITS

Possibility to move the pump away
Thanks to its 1.5 m cable, the pump unit can be moved away to reduce the noise level and facilitate installation.

WATERPROOF removable reservoir
The reservoir, which can be removed for easy maintenance, now has a waterproof seal!

Integrated filter
Plastic filter integrated to the reservoir. It prevents big impurities to damage the pump.

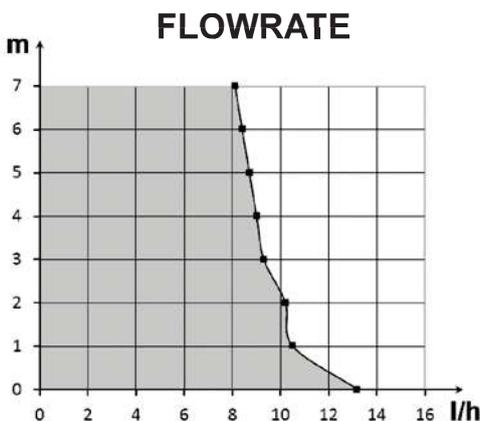

Accessories included
All necessary accessories are included in the box.

Compact pump
Very small, pump and reservoir are easy to install.

Nice design
Thanks to its shape and its finishing accessories (included), the ECO FLOWATCH® DESIGN offers great aesthetics qualities.
